

My penguin friend is called Snowball. Snowball likes to wear her red gloves and she likes to wear her green and red scarf. She has green and red pants. She is a lovable penguin and likes to slide down on her belly and have an ice diving board.

I have a penguin friend called Snowball. She likes to wear her blue sweater that is fluffy with purple buttons. Snowball loves to slide down hills on her sleigh. When snowball gets to the bottom of the hill she makes a snowman. Snowball is a cuddly and lovable penguin.
