THINK CENTRAL

Do you know that you can do more than just read books on Think Central? Have you clicked on "view my test scores?" Would you like to see your child's weekly test scores? You can now do so by logging into Think Central. Visit www.thinkcentral.com Once there you will need to enter your child's last name and first four letters of his/her first name (without any spaces). The password is your child's student ID number. If you don't know this, please consult with your child's teacher. Take advantage of this valuable resource to help your child continue their reading skills and learning at home.
