

**Jerome Harrison Elementary PTO
Information & Permission Slip**

Dear Parents/Guardians:

The Jerome Harrison Elementary School PTO is looking for your permission! As a courtesy to you, we are compiling a parent/student telephone directory. The information that will be included in this directory will be student and parents' names, phone numbers, and emails. You will have the choice of which information you would like in the directory.

The JHS PTO is creating this directory as we understand it is difficult to make contact with other students and their families for play dates, parties, events, etc. and we know that the school cannot legally provide this information to you. For these reasons we thought it would be a nice option to create a parent/student directory from the PTO. Additionally, if you choose, the PTO will use this information to communicate with you about PTO events, announcements, etc. as a means beyond the school's use of the Schoolmessenger and email system.

The information collected will be used for the 2016-2017 parent/student directory and will be released ASAP. This is NOT an emergency contact form. The information is for use by Jerome Harrison Elementary School families only, and each family who chooses to participate will receive a complimentary copy. It will not be used for marketing, sales, or political purposes.

In order to receive and be a part of this directory, you must provide a valid email and/or valid phone number. At least one method of contact must be given. If you would like to be included in the directory, please print your family's information below:
